### **SUMMARY**

Excited to embark on a profession leveraging skills in Java, Python, and SQL as a recent computer science bachelor's degree graduate pursuing a master's degree in computer applications (MCA). Aim is to secure an entry-level job utilizing expertise in database administration, programming, and web development to contribute value to creative initiatives. Objective is to continue learning and growing within a dynamic team while applying excellent problem-solving skills, flexibility, and passion to make significant contributions to the software development industry.

# **EDUCATION**

Master of Computer Application

Dr. D Y. Patil School of MCA

Bachelor of Science in Computer Science

**Mumbai University** 

**=** 2020 - 2023

GPA

9.4 / 10

### **PROJECT**

# Warehouse Management system

The system aims to provide an efficient interface to the user for managing inventories. It shall also offer the user various options for managing goods and clients through various functions at hand.

### Food ordering system in Java

Developed a Java-based food ordering system with a user-friendly interface, object-oriented programming principles. The system features efficient order processing, secure user authentication, and payment integration. Utilizes a relational database for data storage and retrieval, and the object-oriented design promotes code modularity and extensibility.

# **STRENGTHS**

### **Problem-Solving Skills**

Demonstrated ability to analyze complex problems logically and develop effective solutions.

### **Adaptability and Quick Learning**

Easily learns new technologies, frameworks, methodologies, adapting swiftly to various project requirements.

### **SKILLS**

Java **Python SQL** C#

# **INTERNSHIP**

#### Technical Intern

#### **Techno Vision**

**#** 09/2022 - 03/2023

During my internship in C#, I actively contributed to the development and enhancement of various software applications. I gained hands-on experience in implementing new features, debugging existing code, and optimizing program performance.

### **ACHIEVEMENTS**

### Achieved 3rd rank in the graduating class

Demonstrating academic excellence and commitment to studies.
